

# FOUNDATIONS OF MONTESSORI INCLUSION

JUNE 16-28, 2019

Penfield Montessori Academy

MILWAUKEE, WISCONSIN, USA

*Montessori answers to our inclusion questions*

**World-renowned pediatrician, Prof. Dr. Theodore Hellbrügge, partnered with Mario Montessori in the 1970's to reconnect his mother's work with the science of Social Pediatric Developmental Rehabilitation to create an inclusive Montessori education.**

**This 2-week Intensive Course on building comprehensive inclusive Montessori programs is for Montessori Teachers, Trainers, Coaches and Program leaders in both public and private Montessori schools.**

*This historic event is presented by the Theodor Hellbrügge Foundation and sponsored by Montessori Medical Partnership for Inclusion and Penfield Children's Center/ Penfield Montessori Academy.*

## 50 years of Montessori Inclusion Practice Coming to the USA *for the FIRST TIME!*

*Join us* to learn how to implement this cutting-edge inclusive practice at your school through a holistic, inter-disciplinary and integrated system of supports that are all connected through Montessori developmental practice:

*Montessori Inclusion* - preparation of the environment and adults for successful inclusion

*Montessori Medical Pedagogy* - therapeutic preparations of methods and materials to meet the needs of specific children

*Montessori Therapy* - direct therapy for specific children carried out by medical specialists utilizing Montessori approaches

*Learn with experts through lectures, discussions, projects, and hands-on activities, how to:*

- Meet the needs of children with social, emotional, cognitive, motor or sensory differences
- Build effective teacher supports
- Increase Parent Engagement
